STATE OF NEW YORK - BOARD OF PAROLE

STATEMENT OF APPEALS UNIT FINDINGS & RECOMMENDATION

Inmate Name: Yeung, Man

Facility: Mid-State Correctional Facility

NYSID No.: 6965046N

Appeal Control #: 03-130-11-B

Dept. DIN# 92B1089

Findings:

Counsel for the appellant has submitted a letter-brief to serve as the perfected appeal. For the reason explained below, only one issue raised will be addressed.

One of the issues raised is an allegation the former Division of Parole never sent the mandatory letter to the defense lawyer seeking his opinion as to discretionary parole release.

In response, a review indicates the appellant had two co-counselors at his trial. An opinion was sought of only one of them, and that was some 12 years after the conviction, to an address that the counsel had long since moved away from. The Appeals Unit has now contacted both co-counselors, and both have responded with meaningful letters. As such, a de novo interview is warranted.

Recommendation:

Accordingly it is recommended the decision of the Board be vacated, and that a de novo interview in front of a different panel of Commissioners be held forthwith.
